aquatherm SDR 17.6 Butt Fusion Reducer

PART #	PART SIZE	LIST PRICE	UNIT	NOTES
2047450017	18" to 16"	\$2,855.04	each	The butt fusion reducer can be used with either the Aquatherm Green pipe or Aquatherm Blue pipe systems, but are all molded from the green fusiolen® material. The SDR of the fittings must match the SDR of the pipe. The length of some fittings may not accommodate all butt-fusion equipment. Verify the equipment to be used is compatible with the fittings when ordering.

The SDR of the fittings must match the SDR of the pipe. The length of some fittings may not accommodate all butt-fusion equipment. Verify the equipment to be used is compatible with the fittings when ordering.
1044450072	18" to 14"	\$2,986.17	each	The butt fusion reducer can be used with either the aquatherm green Pipe or aquatherm blue Pipe systems, but are all molded from the green fusiolen® material. The SDR of the fittings must match the SDR of the pipe. The length of some fittings may not accommodate all butt-fusion equipment. Verify the equipment to be used is compatible with the fittings when ordering.
1044450071	18" to 12"	\$3,220.51	each	The butt fusion reducer can be used with either the aquatherm green Pipe or aquatherm blue Pipe systems, but are all molded from the green fusiolen® material. The SDR of the fittings must match the SDR of the pipe. The length of some fittings may not accommodate all butt-fusion equipment. Verify the equipment to be used is compatible with the fittings when ordering.

aquatherm SDR 11 Fusion Outlet - Butt Fusion

PART #	PART SIZE	LIST PRICE	UNIT	NOTES
1034315057	12" x 6"	\$390.14	each	The necessary fusion heads are part no. 0050614-0050640. Fusion outlet fitting is rated at SDR 11. Allowances should be made for connection to other SDRs.
1034355061	14" x 6"	\$461.48	each	The necessary fusion heads are part no. 0050614-0050640. Fusion outlet fitting is rated at SDR 11. Allowances should be made for connection to other SDRs.
1034355004	14" x 8"	\$570.05	each	The necessary fusion heads are part no. 0050614-0050640. Fusion outlet fitting is rated at SDR 11. Allowances should be made for connection to other SDRs.
1034400008	16" x 6" to 10"	\$1,404.95	each	Molded fitting designed to accommodate a range of branch sizes. If needed, fitting can be cut and butt fused to the larger diameters in the given range. The necessary fusion heads are part no. 0050614-0050640. Fusion outlet fitting is rated at SDR 11. Allowances should be made for connection to other SDRs. Verify the equipment to be used is compatible with the fittings when ordering.
1030450010	18" x 6" to 10"	\$1,409.22	each	Molded fitting designed to accommodate a range of branch sizes. If needed, fitting can be cut and butt fused to the larger diameters in the given range. The necessary fusion heads are part no. 0050614-0050640. Fusion outlet fitting is rated at SDR 11. Allowances should be made for connection to other SDRs. Verify the equipment to be used is compatible with the fittings when ordering.
1034500012	20" x 6" to 10"	\$1,410.64	each	Molded fitting designed to accommodate a range of branch sizes. If needed, fitting can be cut and butt fused to the larger diameters in the given range. The necessary fusion heads are part no. 0050614-0050640. Fusion outlet fitting is rated at SDR 11. Allowances should be made for connection to other SDRs. Verify the equipment to be used is compatible with the fittings when ordering.
1034630015	24" x 6" to 10"	\$1,438.84	each	Molded fitting designed to accommodate a range of branch sizes. If needed, fitting can be cut and butt fused to the larger diameters in the given range. The necessary fusion heads are part no. 0050614-0050640. Fusion outlet fitting is rated at SDR 11. Allowances should be made for connection to other SDRs. Verify the equipment to be used is compatible with the fittings when ordering.
1030450011	18" x 12"	\$1,600.61	each	The necessary fusion heads are part no. 0050614-0050640. Fusion outlet fitting is rated at SDR 11. Allowances should be made for connection to other SDRs.
1034500013	20" x 12"	\$1,617.13	each	The necessary fusion heads are part no. 0050614-0050640. Fusion outlet fitting is rated at SDR 11. Allowances should be made for connection to other SDRs.

PART #	PART SIZE	LIST PRICE	UNIT	NOTES
1034630016	24" x 12"	\$1,849.52	each	The necessary fusion heads are part no. 0050614-0050640. Fusion outlet fitting is rated at SDR 11. Allowances should be made for connection to other SDRs.

aquaTherm SDR 11 Reducing Coupling

PART #	PART SIZE	LIST PRICE	UNIT	NOTES
1044160956	6" to 4"	\$118.45	each	Socket fused on one side, butt fused on the other. This fitting can be used with either the aquaTherm green Pipe or aquaTherm blue Pipe systems, but are all molded from the green fusiolen® material. The SDR of the fittings must match the SDR of the pipe. The length of some fittings may not accommodate all butt-fusion equipment. Verify the equipment to be used is compatible with the fittings when ordering.
1044200958	8" to 4"	\$130.97	each	Socket fused on one side, butt fused on the other. This fitting can be used with either the aquaTherm green Pipe or aquaTherm blue Pipe systems, but are all molded from the green fusiolen® material. The SDR of the fittings must match the SDR of the pipe. The length of some fittings may not accommodate all butt-fusion equipment. Verify the equipment to be used is compatible with the fittings when ordering.

aquaTherm SDR 17.6 Reducing Coupling

PART #	PART SIZE	LIST PRICE	UNIT	NOTES
2047160002	6" to 4"	\$58.76	each	Socket fused on one side, butt fused on the other. This fitting can be used with either the aquaTherm green Pipe or aquaTherm blue Pipe systems, but are all molded from the green fusiolen® material. The SDR of the fittings must match the SDR of the pipe. The length of some fittings may not accommodate all butt-fusion equipment. Verify the equipment to be used is compatible with the fittings when ordering.
2047200003	8" to 4"	\$93.91	each	Socket fused on one side, butt fused on the other. This fitting can be used with either the aquaTherm green Pipe or aquaTherm blue Pipe systems, but are all molded from the green fusiolen® material. The SDR of the fittings must match the SDR of the pipe. The length of some fittings may not accommodate all butt-fusion equipment. Verify the equipment to be used is compatible with the fittings when ordering.

aquaTherm SDR 7.4 Flange Adapter (Butt-Fusion)

PART #	PART SIZE	LIST PRICE	UNIT	NOTES
1020125917	4"	\$130.44	each	Socket fusion. Gasket not included. All sizes are compatible with butterfly valves. Minimum 1/8" thickness gasket recommended. May be butt-fused or paired with a coupling (part no. 0111026, sold separately).

aquaTherm Ball Valve

PART #	PART SIZE	LIST PRICE	UNIT	NOTES
1090090058	3"	\$782.66	each	Polypropylene construction with ISO bolt pattern. A full-faced flange gasket should be used with these valves. Do not use an O-ring with or without the flange gasket or leakage may occur. Discard any O-ring that may come with the valve. Valve requires AquaTherm stainless steel split flange rings.
1090110059	3 1/2" to 4"	\$889.91	each	Polypropylene construction with ISO bolt pattern. A full-flange gasket should be used with these valves. Do not use an O-ring with or without the flange gasket or leakage may occur. Discard any O-ring that may come with the valve. For a 3 1/2" connection, use part no. 1020110916 and part no. 9790615724. For a 4" connection, use part no. 1020125917 and part no. 9790625726.
1090160060	6"	\$1,523.90	each	Polypropylene construction with ISO bolt pattern. A full-faced flange gasket should be used with these valves. Do not use an O-ring with or without the flange gasket or leakage may occur. Discard any O-ring that may come with the valve.

aquatherm Ball Valve (FKM o-ring)

PART #	PART SIZE	LIST PRICE	UNIT	NOTES
1090090026	3"	\$1,857.21	each	Polypropylene construction with ISO bolt pattern. Part comes with FKM/FPM O-ring and in the color gray. A full-faced flange gasket should be used with these valves. Do not use an O-ring with or without the flange gasket or leakage may occur. Discard any O-ring that may come with the valve. Valve requires Aquatherm stainless steel split flange rings.
1090125027	3 1/2" to 4"	\$2,359.26	each	Polypropylene construction with ISO bolt pattern. Part comes with FKM/FPM O-ring and in the color gray. A full-faced flange gasket should be used with these valves. Do not use an O-ring with or without the flange gasket or leakage may occur. Discard any O-ring that may come with the valve. Valve requires Aquatherm stainless steel split flange rings. For a 3 1/2" connection, use part no. 1020110916 and part no. 9790615724. For a 4" connection, use part no. 1020125917 and part no. 9790625726.
1090160028	6"	\$3,028.63	each	Polypropylene construction with ISO bolt pattern. Part comes with FKM/FPM O-ring and in the color gray. A full-faced flange gasket should be used with these valves. Do not use an O-ring with or without the flange gasket or leakage may occur. Discard any O-ring that may come with the valve.

aquatherm Ball Valve (w/Bolt Kit)

PART #	PART SIZE	LIST PRICE	UNIT	NOTES
9790041802	3"	\$864.06	each	Polypropylene construction with ISO bolt pattern. Comes with 2 stainless steel split rings, 2 gaskets, 16 bolts, and 16 washers. Contact aquatherm to order parts individually. A full-face gasket should be used with these valves. Do not use an O-ring with or without the flange gasket or leakage may occur. Discard any O-ring that may come with the valve.
9790041804	4"	\$975.53	each	Polypropylene construction with ISO bolt pattern. Comes with 2 stainless steel split rings, 2 gaskets, 16 bolts, and 16 washers. Contact aquatherm to order parts individually. A full-face gasket should be used with these valves. Do not use an O-ring with or without the flange gasket or leakage may occur. Discard any O-ring that may come with the valve.
9790041807	6"	\$1,709.87	each	Polypropylene construction with ISO bolt pattern. Comes with 2 gaskets, 16 bolts, and 16 washers. Contact aquatherm to order parts individually. A full-face gasket should be used with these valves. Do not use an O-ring with or without the flange gasket or leakage may occur. Discard any O-ring that may come with the valve.
9790041902	3"	\$2,399.83	each	Polypropylene construction with ISO bolt pattern. Valve comes with FKM/FPM O-ring and in the color gray. Comes with 2 stainless steel split rings, 2 FKM/FPM gaskets, 16 bolts, and 16 washers. Contact aquatherm to order parts individually. A full-face gasket should be used with these valves. Do not use an O-ring with or without the flange gasket or leakage may occur. Discard any O-ring that may come with the valve.
9790041904	4"	\$3,069.26	each	Polypropylene construction with ISO bolt pattern. Valve comes with FKM/FPM O-ring and in the color gray. Comes with 2 stainless steel split rings, 2 FKM/FPM gaskets, 16 bolts, and 16 washers. Contact aquatherm to order parts individually. A full-face gasket should be used with these valves. Do not use an O-ring with or without the flange gasket or leakage may occur. Discard any O-ring that may come with the valve.
9790041907	6"	\$3,506.61	each	Polypropylene construction with ISO bolt pattern. Valve comes with FKM/FPM O-ring and in the color gray. Comes with 2 FKM/FPM gaskets, 16 bolts, and 16 washers. Contact aquatherm to order parts individually. A full-face gasket should be used with these valves. Do not use an O-ring with or without the flange gasket or leakage may occur. Discard any O-ring that may come with the valve.
